🔮7️⃣Future Enhancements

7.1 Planned Improvements

- **Integration with Microsoft Teams/Slack** for registration reminders.

- **Calendar View** for upcoming events via UI Builder.

- **Event Capacity Management** – limit registrations per event.

- **Automated Feedback Reminders** for users after event completion.

- **Analytics Dashboard** with advanced charts (using Performance Analytics).

7.2 Long-Term Enhancements

- Add event cancellation and waitlist functionality.

- Build a public **Service Portal page** for non-admin viewing.

- Enable **QR code-based event check-ins**.
